

REMARKS

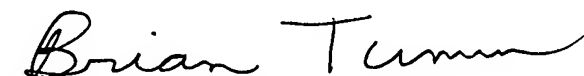

This paper is submitted in response to the Notice of Allowance for the above-identified application mailed June 30, 2004. Applicants thank the Examiner for a favorable review of this application.

The amendment changes "said" to ---a--- in original Claims 3 and 4 so that the claims provide proper antecedent basis for the motor generator.

Since Claims 3 and 4 depend from allowed Claim 1, no further consideration or search is required.

Prompt entry of this amendment is respectfully requested.

Respectfully submitted,

Brian R. Tumm
